Two pocketbooks were found in a closet of the Montpelier & Wells River depot at Montpelier yesterday afternoon. One was empty and the other contained a check for \$92 in the name of H. A. Wells of Marshfield and a dog license receipt in his name also. Mr. Wells says that there was about \$30 in money in his wallet. This is supposed to have been the work of pickpockets on circus day.

The speakers and a part of the audience were very much disturbed by the late comers at the Barre opera house last evening. Oftentimes the efforts of speakers are destroyed by unusual commotion, such as the shuffling of feet, the clanking of doors. It is unfair to the participants and to audiences for people to enter a public entertainment hall late. And if any Barre people persist they should be requested to remain in the hall until an opportune time arrives for entrance.

SHORT OF BUSINESS.

Windsor County Court Will Adjourn Early.

Woodstock, June 12.—The list of civil cases in Windsor county court was reduced to nearly nothing yesterday and as only four indictments not yet made public were returned by the grand jury the term of court will be short, unless something new turns up. The jury in the case of the Windsor Gaslight Co. vs. S. N. Taylor, an action of trespass, began last Thursday, returned a verdict yesterday for the plaintiff of one cent damages.

June Carnival at Graniteville.

Graniteville, June 12.—An excellent time planned for all by members of foresters' team, camp No. 8292, Graniteville. The June carnival will open tomorrow evening under the auspices of the forester team of camp No. 8292. M. W. of A., and the entertainment programme will consist of the following: Poem, When Pa Became a Woodman, by Russell Miles; solo, Ford Benson; solo, Miss Eva Miles; prose, Miss Bertha B. McLean; solo, Walter H. Paine; statutory and song dancing, Milne brothers. A glance at the above programme will assure all that an excellent entertainment is forthcoming.

Friday evening there will be an exhibition drill by the forester team. The first eight men will be dressed in the regular Woodmen's uniform, while the remaining eight will be dressed as hoboes. This will mean both an interesting and laughable exhibition. John Kessick of Barre will also sing several of his comic songs, for which he is noted.

For Saturday evening the committee has secured John Kerr, the champion bag puncher of Vermont and one of the best bag punchers in the business. This is an excellent opportunity to see a first-class exhibition of bag punching by a man thoroughly understanding the art. The articles will also be drawn this evening.

Dancing will be enjoyed each evening to music furnished by Walker's orchestra of three pieces. Ice cream and cake will be served in the banquet hall and the usual refreshment stands will be in evidence. Admission 10 cents, season tickets 25 cents, with a \$5 door piece as door price.

BIG BATTLESHIPS.

The American people delight in big things, and they are pleased at the prospect of having a greater battleship than Great Britain has.—Savannah News.

If the United States is to go to work to build a battleship larger than the Dreadnought, then England may be expected to come back with a battleship larger than the American battleship.—Louisville Times.

It is a matter for congratulation that America is to own the biggest battleship afloat. This is true not for the mere sake of boasting, but because it represents a wise policy and exceptional forethought.—Philadelphia Press.

SPELLING REFORM.

The spelling reform is not likely to make much headway in Jorjash, Rhode Island or Mizozory.—Chicago Tribune.

The formula of the "new" and "simplified" school of spellers seems to be, "Spell it wrong and you're right."—Louisville Courier-Journal.

There is one compensation to the ignorant in this new spelling reform, and it is that after awhile it will be impossible to tell an educated from an uneducated man by his spelling.—Philadelphia Press.

BALANCES FIRE LOSS.

Rutland Real Valuation About Same as Last Year.

Rutland, June 12.—The board of assessors has finished the grand list for 1906, showing a big gain in personal property since last year. The total valuation is \$1,847,197, an increase of \$113,627. The real estate valuation is practically the same. Although there was much building during the year, the improvements just balanced the loss by the \$300,000 fire of February 18. There are 3,661 taxable polls, a gain of only 17.

OUR CLOTHING IS the WORLD'S BEST

We're "cranks," so some of the Clothing manufacturers think. They say we are the worst people in the Clothing business, we're so infernally particular. When we're so exacting it's for you, so you'll get what you want, and by having it, we'll get the business. Come here and look over our Clothing. Turn it inside out, look at the quality and finish, the way the seams are sewed and what they are sewed with, how the padding's put in and all those apparently unimportant details. Some Clothing looks mighty slick outside, but it doesn't stay so any length of time. That's where our pertinacity scores. Take a look at our perfectly tailored Suits, our handsome Overcoats, our fine line of Rain Coats, our complete line of Headwear and our smart and attractive styles in all kinds of Toggery that good dressers want. If you do this you'll surely be convinced that the best is here.
